2020 Henson Creek Village Area Study
SURVEY:

What types of businesses would cause you to spend more time in the study area?

- Better, healthier grocery stores
- Upscale dining & fast casual (no more fast food)
- Clothing stores
- Places for recreational activities
- Coffee shops
- Place to buy household goods
- Hardware stores
- Range of retail options
- Auto repair
Survey:

Do you have suggestions or ideas of what it would take to give the Livingston Road area a more appealing character?

Examples

- Invest in road improvements & install sidewalks
- Major upgrading of existing businesses along with new upscale ones
- Landscaping upgrade is badly needed
- More green space
- Appeal to millennial and younger generations
- Give area a ‘natural look’
- Revitalize Livingston Square
- A connected theme/feel/look
Survey:

Describe the study area in a few words

Examples

- Area that needs a lot of work to make it appealing aesthetically and environmentally
- Great area—just needs to be updated
- Unkept, unloved, tacky and mostly uninviting
- An area just waiting to be revitalized and become our "Town Center"
- Neglected but potentially a possibility of opportunity for residents and businesses to uplift
- It is an interesting area with great potential if the right social amenities are there
- Industrial, 70's themed, utilitarian
