

DEVELOPMENT REVIEW BULLETIN

Bulletin No. **7-2021**

Subject: Contact Information for Planning Department Staff

Resource: Prince George's County Planning Department

Date: October 26, 2021

To ensure our customers can speak with staff via telephone, the Planning Department is providing the public and development community with a list of our Teams Mobile telephone numbers. The public and development community are encouraged to utilize the Teams Mobile telephone numbers found on the attached document as well as on staff's e-mail signature.

Utilizing the Teams Mobile telephone numbers will ensure external customers are able to communicate directly via telephone to staff during normal business hours. In addition, the Teams Mobile telephone number will provide all callers to the Planning Department with a means to leave voicemail messages and staff the ability to read those messages via e-mail.

If you have any questions, please contact the Office of the Planning Director at 240-524-8406.
