The Subdivision and Zoning Section received notice from the Department of Permitting, Inspections and Enforcement (DPIE) on October 25, 2017 that the DPIE signature block on final plats required modifications to accommodate the Director's signature as shown below. All other information should remain the same.

Please contact Cheryl Bressler, Senior Planner, Development Review Division at 301-952-3504 if you have any questions.

This is the size and format for the signature block for the Department of Permitting, Inspections and Enforcement. The agency name is spelled out on the first line, followed by the County Name and State spelled out on the second line. The block is to be 1½" x 5½" and is adequately sized for approval and signature, as shown below. It is also consistent to the size of The Maryland-National Capital Park and Planning Commission block. The fonts should be the same in both blocks.

*Modified to capitalize printed information and when printed will measure 1 ½" x 5 ½"*
