**ABSTRACT:** This document constitutes Prince George's County's and the City of Laurel's management plan for heritage tourism in the Anacostia Trails Heritage Area (ATHA). ATHA is located in the northern part of Prince George's County. The plan is an amendment to the *General Plan for the Maryland-Washington Regional District Within Prince George's County, Maryland*, approved by the County Council in 1982. The management plan must also be approved by the Maryland Heritage Areas Authority in order for ATHA to be a state-certified heritage area. The plan describes ATHA and the heritage tourism resources contained therein; provides strategies for heritage tourism, interpretation, stewardship and linkages; and discusses implementation practices.
