## LIVINGSTON ROAD CORRIDOR **REIMAGINED**

Special Study conducted by The Community Planning Division of the M-NCPPC Prince George's County Planning Department

### Do you work, live, or play in Fort Washington?

Join us for the Livingston Road Corridor Design Charrette, an interactive, hands-on community workshop where you can share ideas and help shape the future of Livingston Road. Over the two day workshop, stop by, talk with planners, designers, and other community members and let us know what you'd like to see along the corridor.

Your feedback will help inform design recommendations for future development along the corridor.

### Walk-in attendance is welcome!

- \* Light refreshments will be provided.
- \* Spanish language translation services will be available.
